GOVERNING LAW

Belarus Law No. 99-Z of 7 May 2021

1. Controller

The data controller is a natural person applying the professional-income tax regime (self-employed) in the Republic of Belarus and operating under the commercial name TIVONIX.

Controller contacts:

- website: <https://www.tivonix.tech>
- email: tivoonix@gmail.com
- Telegram: [@TIVONIX](https://www.tivonix.tech)

2. Scope

This Policy applies to www.tivonix.tech, its language versions (/en, /zh), enquiry forms, partner pages and related TIVONIX services, including MileSeal.

By using the website or submitting a request, you confirm that you have read this Policy.

3. Data we process

Information you provide voluntarily in forms and correspondence:

- name;
- contact details (email, phone or Telegram);
- project description, budget and other request fields;
- company name, if you enter one.

Technical data that may be logged when you use the site:

- IP address, browser/device type, interface language;
- page URL, referrer and UTM parameters;
- your analytics-cookie choice (stored locally in the browser).

TIVONIX does not collect passport data, payment-card numbers or special-category personal data through website forms.

4. Purposes and legal bases

We process data in order to:

- receive and review your request;
- contact you and clarify the brief;

- prepare a preliminary timeline and cost range;
- continue project correspondence;
- comply with applicable law;
- with a separate opt-in, understand how the site is used (analytics).

Legal bases: your consent and the need to handle a request you initiated.

5. Cookies and analytics

Analytical cookies and similar technologies (Google Analytics, Hotjar) run only after you accept the cookie banner. Declining does not block sending a request or using the site.

Your choice is stored in the browser and can be reset by clearing site data.

6. Recipients

Request data is delivered to the controller via the website infrastructure and Telegram. The following processors may be involved:

- website hosting and delivery (Vercel);
- Telegram — request notifications and messaging;
- Google LLC — visit analytics if you accept cookies;
- Hotjar Ltd — on-site behaviour analytics if you accept cookies.

We do not sell personal data or share it for third-party marketing. Disclosure may occur where required by Belarusian law.

7. Cross-border transfers

Some providers (hosting, messaging, analytics) may process data outside the Republic of Belarus. Transfers are limited to what is needed to operate the site and reply to you, and rely on your consent.

8. Retention

Requests are kept only as long as needed to reply, assess the work and continue project correspondence — typically no more than 24 months after the last contact, unless a longer period is required by law. Analytics consent lasts until you withdraw it or clear browser data.

9. Security

We apply reasonable organisational and technical measures, including HTTPS and restricted access to incoming requests. No method of internet transmission is completely secure.

10. Your rights

You may request information about processing, correction, restriction or deletion, withdraw consent, and lodge a complaint with the competent personal-data authority in Belarus.

To exercise these rights, email tivoonix@gmail.com or message Telegram [@TIVONIX](https://www.tivonix.tech). We will respond within a reasonable time, usually 15 calendar days.

11. Changes

The current version is always published with the website documents. Continued use of the site after an update means you accept the revised Policy unless the law requires a fresh consent.

This Policy is not a development contract. Project terms are agreed separately.
